

Dear Families,

The Jewell County Health Department and Rock Hills Schools have been working together to keep our students, staff and families safe. We appreciate their cooperation, focus on public health safety and the shared vision of how can we keep students and staff safe in our school district classrooms learning.

The Rock Hills School District appreciates our families and patrons there cooperation, understanding, concerns and shared vision of keeping our students and staff safety in our district classrooms, Thank You!!

We have an amazing district staff!! Thank you to our teachers, support staff and building principals for all their hard work, efforts and tireless work in keeping our students and staff safe, on our busses and in our classrooms, THANK YOU!!

Below is the update Student Modified Quarantine Protocols for Rock Hills Schools. The major different is that students that are placed in a modified quarantine by the county health department are eligible to ride the bus to and from school if they wear a mask correctly and their seat partner wears a masks correctly while on the bus. Our buses have assigned seats and a majority of the districts bus seating has been assigned to keep family groups together.
